

What is and how to get online money making machine for FREE from us!

If you've learned or want to learn about affiliate, CPA, email, social media or video marketing and decided to jump into it, we can do all technical stuff for you for FREE!

We will create unique mini website fully customized for your niche with unique design. You should not worry about hosting, domain name, setting autoresponder, setting forms for squeeze pages, HTML, logo design ... we will do all that stuff. You should expect money machine to collect emails and ready to deliver your marketing email messages to your future subscribers. [Visit this link to find out what is money machine and how it works!](#)

Your job is to choose niche, create useful info for your squeeze page to stimulate your visitors to subscribe to your newsletter. Also, you will create newsletter messages to deliver with your autoresponder to subscribers. Of course, you will insert into your messages your affiliate links to recommend products that your subscribers are interested in. If someone of your subscribers follow your link and buy recommended products you will get a commission and make money for you.

There are 3 options you can choose from that you should follow to qualify yourself for FREE money machine:

OPTION 1

- Use our affiliate link [FlutterMail](#) to signup (you need autoresponder FlutterMail to collect emails and deliver your messages to your audience on autopilot automatically)
- Use our affiliate link [InternetJetset](#) to signup (we recommend this paid training to help you learn how to drive targeted buyers to your money web machine)

OPTION 2

- Use our affiliate link [FlutterMail](#) to signup (you need autoresponder FlutterMail to collect emails and deliver your messages to your audience on autopilot automatically)
- Use our affiliate link [ContentSamurai](#) to signup (we recommend this tool if you decide to use video marketing for driving targeted buyers to your money web machine)

OPTION 3

- Use our affiliate link [FlutterMail](#) to signup (you need autoresponder FlutterMail to collect emails and deliver your messages to your audience on autopilot automatically)
